ACCESS TO THE FAN MUSEUM

For visitors with mobility requirements, staff are on-hand to provide assistance with a portable folding ramp (measuring 153cm in length by 77cm wide). Please be advised that there is a single step from street level to the courtyard and three steps from the courtyard to the front door, in both instances the ramp is suitable for access.

Please note The Fan Museum has two manual wheelchairs which are available on request.

There is one flight of internal stairs with a handrail to the First Floor as well as steps at the rear of the building to access the Orangery. A lift, operated by keyholding staff, is in operation across all levels of The Fan Museum. At least one keyholding member of staff is always on duty. Please note that, for private functions, the Orangery is also directly accessible via this lift.

Visitors with disabilities and their carers are entitled to free admission.

We offer complimentary audio guides to all visitors, which function across the ground floor exhibition spaces. Written and large text versions of the audio guide script with magnifying sheets are also available on request.
